Advanced Case of Consumption Cured in Four Months.

in Four Months.

Lung-Germine Co.
Jackson, Mich.
Dear Sirs: I feel it my duty to write you that I have been saved from the grave by Lung-Germine. Every one that saw me thought I would die in a short time, and my doctor told me he could not help me. Analysis of my sputum by the State Board of Health showed that thousands of tuberculosis germs were present. I was having hemorrhages very bad, and fever 103 every day.

every day.
I heard of Lung-Germine and began its use. At the end of two mouths my cough was all gone and I was gaining very fast. I sent another sample of my sputum to be analyzed and the reply came back that there were no germs whatever. When I began Lang-Gorming treatment I weighed 25 nounds. germs whatever. When I began laungGermine treatment I weighed 35 pounds.
I used the treatment four months in all
and teday I am well and strong. I
weigh 115 pounds, and can truthfully
say that I am completely cured of consumption by Lung-Germine.
Yours very truly,
MRS. LUCY-BUNDY,
1493 E. 32d Ave., Denver, Colo.

Cured of Chronic Consumption. C. R. Wendt, Jackson, Mich., Care of Lung-Germine Co.

Care of Lung-Germine Co.

Dear Doctor: It is with pleasure
that I write to you to let you know
that after taking two months treatment of Lung-Germine, I am completely cured of chronic consumption. My
case was diagnosed before taking your
medicine by several local physicians,
and they pronounced my case Caronic
Consumption. They also told me that
my right lung was so nearly closed up
that not a particle of air entered it, and
so to speak was of no good to me
whatever.

I called on my regular physician the I called on my regular physician the 10th of this month again, and he tested my lungs. After doing so, he told me my lungs were sound as those of any healthy person. He was greatly surprised to find them in this condition. I must, of course, give Lung-Germine absolute credit for the condition my lungs are in today.

I have increased in weight from 109 to 120 lbs and so far as I can see, my

to 120 lbs. and so far as I can see, my cure is complete. I assure you that I will recommend your Lung-Germine to anyone whom I may run across with

weak lungs.

With best wishes, I remain,
Sincerely yours,
MRS. EMMA HAYWOOD,
Ogden, Uta S.—Please address all correspond-to me in my husband's name, Mr. W. Haywood, Ogden, Utah, Gen.

of Consumption Five Years Ago: Not a Single Symptom Has Appeared Since.

Gentlemen: In response to your in-stry I can say that Lung-Germine used me completely and permanently what was pronounced by my attendg physicians, GENUINE TUBERCUOSIS. I used only two bottles of your
ung-Germine, and this I took in
such, 1902, so you see it is over five
ars since I was cured, and there is
the slightest indication of a relapse,
d not a single symptom has returned.
Before using Lung-Germine I was
osing flesh very rapidly, had night
sweats, and I had two hemorrhages. I
assure you that I appreciate beyond expression what your medicine has done
for me, and I hereby give you permission to publish my letter if you wish.
Yours sincerely,
WM, BERLEMAN.

Chronic Bronchitis and Lung Troubte Cured Three Years Ago, and Patient Remains in Perfect Health to This Day.

Following are a few extracts from a letter which we received recently from Mrs. H. C. Boldt, of Cuere, Tex.: "I was permanently cured of lung and throat trouble by your Lung-Germine three years ago, and I am glad to say that I am feeling fine as slik, and I have not even suffered with a cold to amount to anything since I was cured. Before using Lung-Germine I had tried absolutely, that Lung-Germine, the German Treatment, has cured completely and permanently case after case of advanced almost every known remedy and several of our best doctors, without relief, and I had lest all hopes of ever get-ting well. I recommend Lung-Germine as the only medicine in the world that gives permanent reilef.

Mother and Son Cured Five Years Ago. Perfectly Well Today.

Jackson, Mich.

Jackson, Mich.

Dear Sirs: As to the condition of myself and mother, I can say that we are both in normal health. In the year 1962 we were cured of genuine consumption by rour Lang-Germine. Before using Lung-Germine we were treating with the best physicians in Jackson. Vat seemed to get no relief, to say nothing of a cure. One phystician told my father that nothing more could be done for my mother, she being in the last stage of consumption. I was in the second stage. Soon after getting this information Lang-Germine was recommended to us, and we both began its use. The result was that we were both cured, completely and permanently. No trouble of this kind has been noticed since we were cured, which is more than the second stage.

manently. No trouble of this kind has been noticed since we were cured, which is now just about five years ago. I shall ever be enthusiastic over Lung-Germine and recommend it to anyone who has lung trouble in any form. No matter how far the disease is advanced, I believe it is never too late to give this medicine a fair trial, for it certainly has been successful in our cases, one of which was a most our cases, one of which was a most advanced one.
Tours very truly
